FREE CONCERT & YOUTH ART EXHIBIT FOR ALCOHOL AWARENESS MONTH

April is Alcohol Awareness Month. O'Brien House is partnered with the National Council on Alcoholism and Drug Dependence [NCADD] to save the lives of children by preventing underage drinking. Hundreds of communities across the country will participate in events that highlight the dangers of underage drinking. More than 12 local bands have agreed to play free of charge to help us increase awareness about underage drinking and improve our existing community outreach efforts. The concert is open to the public free of charge. The O'Brien House Millennium Kids Club will display art depicting the way drugs and alcohol have affected their communities. This event is sponsored by the LSU Department of English, Lamar Advertising, Kleinpeter Music and Word Tabernacle. Visit our website for additional information: www.obrienhouse.org.

About O'Brien House

O'Brien House was established in 1971 to serve adult recovering alcoholics and drug addicts. The center was named for Paul S. "Pat" O'Brien, who spent 53 years of his life working with alcoholics and educating the public about the disease of alcoholism. The services at O'Brien House have evolved into a more comprehensive continuum of care that includes treatment, prevention and community development activities. Our mission is to save lives and families from alcoholism and drug abuse through residential treatment and community outreach.
